"The wedding venue of dreams! Killeen Castle is absolutely stunning and the staff is incredible. My now husband and I were living and planning our wedding from NYC... Ruth made planning overseas such a breeze. They were extremely accommodating of our ridiculous requests and cannot believe how smoothly the whole day went. The lodges are lush and the way they are set up was just perfect for our wedding party to get ready in. My makeup artist loved all the natural light we had!! We decided to choose the walled gardens for our ceremony and had the reception in the clubhouse. The castle itself is still undergoing renovations but we were still able to get some gorgeous photos in front of it. The food was absolutely fabulous and our guests were blown away by the views. We feel so fortunate that we were able to book this place and host such a magical event. We are already planning our next stay."

"Ruth, Philip & team thank you so much for making our day so special on the 5th August! We had the best day ever & would not change a thing. You did so much for us over the course of the last year to get us to this day & we really appreciate it all. Killeen is such a special place which will always hold such good memories for us now! Thanks also to the team on the day who were superb. We got great compliments on the day from our guests – in relation to the venue, the staff, food & accommodation. It was all great."
